

# JACK GREENE

## Summary

---

Currently seeking a tech-related internship that helps me meld my passion for technology with my constant desire to outlet myself creatively.

## Employment

---

### Russo's Pizzeria Delivery Driver

Sugar Land, TX  
Apr 2015 to Feb 2016

Delivered pizzas to customers, washed dishes, maintained cleanliness inside restaurant

Learned to work with customers and coworkers under stressful, time-constricting situations

### City of Sugar Land Camp Counselor

Sugar Land, TX  
May 2017 to Aug 2017

Indulged in fun, creative activities with children ranging from the ages 5-13.

Learned to collaborate and work with colleagues of different personalities and backgrounds.

## Awards

---

### Boy Scouts of America · Eagle Scout

May 2017

Highest award given in the Boy Scouts of America

## Activities

---

### Aggie Coding Club

Aug 2017 to Current

Worked with other students to make innovative and creative projects in various coding languages

Learned to collaborate with others and merge their contributions

### Boy Scouts · Eagle Scout

Fall 2010 to Current

Gained invaluable leadership, organizational, and service experience through my many years of scouting

### Engineering Honors at Texas A&M University · Student

Aug 2017 to Current

Adds to the level of intensity regarding the classes in school

Provides opportunities to conduct research within the University

Allows for a sense of community among other Engineering Honors students

## Volunteering

---

### Greatwood Gators · Volunteer Swim Coach Sugar Land, TX

Jun 2013 to Jul 2017

Every Summer I helped children of many ages improve their swimming technique

Over 200 hours of community service

Learned creative ways to approach situations guided by the advice of my superiors
